

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 98-270-C - ORDER NO. 2002-575 *je*

AUGUST 8, 2002

IN RE: Application of Net2000 Communications) ORDER CANCELLING
Services, Inc. for a Certificate of Public) CERTIFICATE AND
Convenience and Necessity to Provide) WITHDRAWING
Intrastate Interexchange Telecommunications) TARIFF
Services within the State of South Carolina.)

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of Net2000 Communications Services, Inc. ("Net2000" or the "Company") to cancel its Certificate of Public Convenience and Necessity to provide intrastate interexchange telecommunications in the State of South Carolina and to cancel the Company's associated tariffs.

By letter dated February 12, 2002, Net2000, through its counsel, advised the Commission that the Company was requesting cancellation of its Certificate to operate as a reseller of intrastate interexchange telecommunications services within the State of South Carolina and withdrawal of the Company's applicable tariffs. Net2000's authority to provide resold intrastate interexchange telecommunications services was granted by Order No. 98-939 issued November 30, 1998, in the Company's former name of Net2000 Group, Inc. Thereafter, Order No. 1999-70 was issued on January 28, 1999, which granted a name change to the Company's present name of Net2000 Communications Services, Inc.

As reasoning for its request, Net2000 states that the Company filed proceedings with the U.S. Bankruptcy Court for Delaware (“the Court”) and that by Orders of the Court, Net2000 was required to transfer all of the Company’s network assets and customers in South Carolina to Cavalier Telephone Corporation (“Cavalier”). According to Net2000, the Company had only thirteen (13) customers in the state of South Carolina prior to the transfer to Cavalier. Net2000 adds that it has ceased all business and telecommunications operations and as ordered by the Court, all of its customers and other assets have been transferred to Cavalier.

As Net2000 is no longer providing the services for which its Certificate of Public Convenience and Necessity was granted by virtue of the Company’s filing with the U.S. Bankruptcy Court for Delaware and as followed by the transfer of all of the Company’s assets to Cavalier, the Commission finds and concludes that Net2000’s Certificate of Public Convenience and Necessity to provide intrastate interexchange telecommunications services within the State of South Carolina should be cancelled and that the Company’s applicable tariffs be withdrawn.

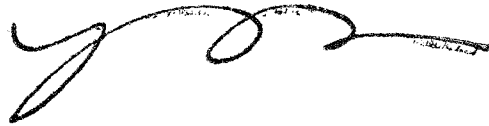

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide intrastate interexchange telecommunications services authorized by Order No. 98-939, dated November 30, 1998, and as amended by Order No. 1999-70, dated January 28, 1999, issued in the instant docket to Net2000 Communications Services, Inc. is hereby cancelled, and the tariffs filed by the Company are withdrawn.

AUGUST 8, 2002
